PLATFORM SCALE - HEAVY DUTY

This platform scale will withstand harsh industrial environments, is easy to clean, and is easy to load with its 4.5" high platform. The adjustable feet allow you to weigh with accurate results on uneven working surfaces. The built-in overload and shock protection mechanism protects the scale from excessive load and shock when used in industrial environments. The stainless steel platform and cast aluminum basemake it ideal for harsh industrial environments. Platform size: 19.7" W x 23.6" D x 4.5" H. The large 2" display reads in lbs and kgs. Power Source: Built-in rechargeable battery or enternal power adapter (included). Shipping weight 66 lbs. Warranty 1 year.

ORDER NO.	PART NO.	CAPACITY	PRICE

PORTABLE PLATFORM SCALES

PORTABLE SCALE CART

The Tare Portable Scale Cart (only) is built from heavy angle iron and structural channel steel to withstand years of heavy, hard industrial use. It has four roller-bearing cast iron wheels (two 4" rigid in the front and two swivel wheels with locking foot brakes in the rear). Pallets and wide loads can be loaded onto the scale easily in any location. Roll it from one area to another to eliminate extensive moving of materials. Sizes: 3' x 3' or 4' x 4'. Dimensions: 63" L x 49" W x 6.25" H. Push Bar: 49.5" H. Shipping Weight for cart only 250 lbs, with scale base approximately 550 lbs. Warranty 1 year.

ORDER NO.	DESCRIPTION	PRICE
L300-11	48" x 48" for a "Floorweigher" Cart Only	\$ 1695.00
L300-11-3	36" X 36" for a "Floorweigher" Cart Only	1095..00
