

COUNTING SCALES

COUNTING SCALES DCS SERIES

These Dual Channel counting scales are economical, convenient, AC/ adapter powered. The LCD graphic type display provides the operator with a step-by-step procedure on counting scale operation. Key pad for unit weight entry or tare entry, display 1/15000 external, normal 10 piece sample, or scale will indicate the number of additional pieces to add. Fifty item ID memory stores essential parts data. Power source: AC adapter (12VDC,800mA, Size: platter 13.2" W x 10.2" D, base 13.5" W x 14.5" D x 4" H. Meets or exceeds OMIL Class III requirements. Ship Weight 28.7 lbs. Warranty 1 year.

ORDER NO. PART NO. CAPACITY

J101	DCSG-6	6 lb x 0.0005 lb
J100	DCSG-12	12 lb x 0.001 lb
J102	DCSG-30	30 lbs x 0.002 lb
J103	DCSG-60	60 lbs x 0.005 lb
J104	DCSG-120	120 lbs x 0.01 lb

COUNTING SCALE

This high performance, low-cost Counting Scale will withstand the rigors of industrial applications with a tan ABS case, an all steel frame, and a stainless steel platter. The 20-key membrane panel allows entry of numeric data, such as known tare values, APW's, and specific sample sizes from 1 to 999,999. The 6-character, 7-segment red LED display is highly visible from 20' away. Units of Measure: lb or g. RS232 Port standard. Power Requirements: AC Adapter, 9 VDC, 500mA, included. Platform Size 8" L x 5.75" W. Shipping weight 7 lbs. Warranty 1 year.

ORDER NO. PART NO. CAPACITY

J050	TC100-2	2 lb x 0.0002 lb
J051	TC100-5	5 lb x 0.0005 lb
J052	TC100-10	10 lb x 0.001 lb
J053	TC100-20	20 lb x 0.002 lbs

OPTIONS:

J050-1	Serial Data Interface Cable
J050-2	Bar Code Laser Scanner
J050-3	Bar Code Non-Laser Scanner (CCD)

COUNTING SCALE

This high resolution counting scale is designed for simplicity and will withstand the rigors of industrial applications. It has an grey ABS case, all steel frame, and a stainless steel platter. An internal resolution of 1:600,000 provides greater sensitivity for increased counting accuracy. Has three highly visible green VFD displays and will show Gross Weight, APW, and Piece Count simultaneously. Can accumulate pieces count or weight, and print totals. RS233 Port standard. Units of measure lb, kg or g. The 20-key membrane panel allows for entry of numeric data from 1 to 999,999. Power Requirements: AC Adapter, 12 VDC, 800mA, included. Platform Size 9.5" L x 10" W. Shipping weight 14.8 lbs. Warranty 1 year.

J050-2	Bar Code Laser Scanner	
J050-3	Bar Code Non-Laser Scanner (CCD)	

COUNTING SCALE (Dual)

This high resolution counting scale is simple to operate allowing the user to become easily familiar with the standard scale operation. It has a 1" tall bright red LED display the allows viewing from distances 50' away, or in dark or brightly lit areas. It will withstand harsh enviroments because of the grey ABS housing, metal base, and stainless steel platform. The internal resolution of 1:600,000 provides greater sensitivity for increased counting accuracy and weighments. Units of measure lb/kg. Calibration and Set-up parameters all keyboard (9-0) accessible for speedy installation. Bi-Directional RS232 Port standard. Power Requirements: AC Adapter, 12 VDC, 800mA, included or an optional internal 6 volt battery. Platform Size 10.5" L x 13.5" W. Shipping weight 28.7 lbs. Warranty 1 year.

COUNTING SCALES

COUNTING SCALE (Dual) - Counting/Platform Counting

This highly accurate and versatile Digital Counting Scale Terminal is the perfect scale for any application where counting must be combined on two scales into a quick one-step operation. Whether you need to count, record or output your inventory to your mainframe, this scale will accurately address this need. The high resolutions will give you precise weighing and counting of even the smallest parts. It has a bright 1" high LED display, 1/600,000 internal resolution, and two standard platform channels. Units of measure lb, kg, or oz. Standard RS232 interface. Calibration and set-up parameters all keyboard (9-0) accessible for speedy installation. Power Requirements: AC Adapter, 12 VDC, 800mA, included or an optional internal 6 volt battery. Platform Size 10.5" L x 13.5" W. Shipping weight 29 lbs. Warranty 1 year.
